Swing Dance is a group of dances that developed with the swing style of jazz music in the 1920s-1940s, though the origins of each dance predate the popular swing era. Historically, the term "Swing" referred to the style of jazz music, which inspired the evolution of the dance. Traditionally these dances are danced with a partner but it is becoming more popular to find classes that teach you swing steps and styles without the need of a partner which is the aim of these workshops.

Each week we will look at a different style of Swing Dance and learn some of its key moves. Swing Dance is a wonderful form of exercise with great music that will leave a smile on your face and a swing in your step.

Please come in trainers or flat dance shoes.
Entrance £4.00/£3.00 members & concessions including refreshments.
