# **DVD ‘The Cygnus Mystery’**

**Wednesday 24th January 2018, 7.30 p.m.**

**HEART Centre, Bennett Road, Headingley LS6 3HN**

**This evening we’ll be showing a DVD on The Cygnus Mystery, a voyage of discovery that leads from the oldest known temple in the world to a prehistoric cave map, to a common belief shared by ancient cultures, all of which were aware of the star system Cygnus’ unique place in the cosmos and its significance as the spirit path to heaven. Most surprising is the fact that the Ancient Advanced cultures of the past were aware of their being the spark which ignited evolution – the same spark which continues to alter our DNA right through to the present day. A must see!**
